

The Ames Child Care Center (ACCC) is a non-profit childcare center and preschool located at the NASA Ames Research Center at Moffett Field. The ACCC is accredited by the prestigious National Association for the Education of Young Children (NAEYC). The ACCC serves families employed at NASA Ames Research Center and the surrounding community. The tuition paid by the parents covers salaries and operational costs only. All other costs, such as playground improvements, tuition assistance, and staff appreciation, are covered by fundraising activities such as the ACCC Golf Tournament. The ACCC is currently raising funds to purchase equipment for outdoor shade structures, playground equipment, renovation to the infant rooms, and landscaping improvements.

For more information on the ACCC, visit <http://www.amesccc.org> or call 650-604-5100 or e-mail us at: [childcare@mail.arc.nasa.gov](mailto:childcare@mail.arc.nasa.gov).
